Recovery-Restoration-Renewal

Dear Friend,

We have Good News! So many new things have been happening at First Nations Restoration Center in 2015.

FNRC is now a Registered Charity. As of July 01, 2015. FNRC is able to issue income receipts to all donors. Thank you to PAOC, who so kindly issued Income Receipts to our donors up to Dec. 2014. What a blessing they have been to our ministry!

Moms Helping Moms is a new program at FNRC. This is a much needed ministry to young Moms coming from over 30 First Nations communities north of FNRC. With few resources, some of these Moms are in need of a "baby bundle" to start off their new life.

Barb helps distribute the baby bundles.

"Third Thursday" is for youth Grades 6-8 who meet monthly to learn life skills and Biblical principles at this crucial time of life. What an opportunity to influence the youth and future of First Nations land!

New opportunities to work with FN men and women have opened up by working with the Chaplain at the Kenora District jail. We hope to minister and support those who are looking for a new start. We will be welcoming our first intake in early December. What an exciting venture to see healing come to First Nations land once again!

We have a new website!

After the sudden and unexpected passing of Yvonne in April of this year, God graciously led and directed Marvin to a new adventure and ministry in Kelowna, British Columbia. We miss them both! We are sure that God is in control of all! Their efforts and investments made in the lives of FN people at FNRC lives on.

As clearly as God led Marvin to BC, He also led a young couple, Charles and Jenna Dollin to FNRC. We are so glad to have them living at FNRC. Charles is teaching in Lac Seul in Whitefish Bay. Jenna works with us at FNRC doing so many things it's hard to say all she is involved with. We needed someone with her skills in website building, fundraising, administration and youth ministry at this time of transition! God has been more than faithful to all involved in what has been a difficult year. What an example of His love to us all! So...Welcome aboard Charles and Jenna, your ministry has already been invaluable to His Kingdom!

Our new staff couple, Charles and Jenna Dollin

Since the Dollins joined us late August, the Center has been busy with:

Cookie Club, which started up again in September

Ladies Retreat in October. We had about 25 participants!

Bible Study

Monday night Bible Study continues with participants coming from all three communities of Lac Seul. Maurice is teaching a Series on the Fruit of the Spirit. This solid teaching is leading to maturity among the FN believers!

We invite you to get involved!

As a charitable organization we rely on your generation donations. This season, consider donating to FNRC. You can also check our online "wish list" for a list of items or volunteer services we are looking for. As always, your prayers are appreciated!

Feel free to email or call us. We would love to chat with you!
